Hi Lauren – do you have time to discuss today at 3:30? Otherwise, I'm available on Friday. The short answer is that we are preparing all of the necessary materials in support of proposed NPL listing in the next rule-making. The rule-making schedule has been delayed until June. I can provide more detail when we talk. Ken

Hi Ken,
Hope all is well. I'm writing to check-in on the status of DEQ/Ecology/Yakama Nation's request to list Bradford Island on the NPL. Do you have any updates on process and timeline? Do you anticipate a public hearing on the potential NPL listing?
Thanks in advance.
Regards,
Lauren
